SCOUTING REPORT

TECHNICAL

7.75 / 10

Excellent first touch and strong combination play. Comfortable playing with his back to goal and bringing teammates into attacks. Good two-footed finishing, though execution can be inconsistent.

PHYSICAL

7.5 / 10

Competitive in duels despite not being especially strong. Competent aerially and works hard, but does not possess high-end pace or outstanding physical power.

TACTICAL

8.6 / 10

Very intelligent and intuitive No. 9. Anticipates situations early, finds strong positions in the box and understands how to connect with teammates.

PSYCH / SOCIAL

7.75 / 10

Communicative, unselfish and team-oriented. Shows good work rate, sacrifices for the team and reacts positively within attacking sequences.

SCOUT'S NOTE

What stands out most is his natural goalscoring instinct and ability to anticipate situations in and around the box. He consistently finds intelligent positions, is comfortable using both feet and contributes well to collective play. Unselfish and hard-working, he combines effectively with teammates. He is not an elite finisher, and questions remain over consistency and how his physical profile translates to more demanding leagues.
